About “Tech Mahindra”

Tech Mahindra represents the connected world, offering innovative and customer-centric information technology services and solutions, enabling Enterprises, Associates and the Society to Rise TM. We are a USD 4.8 billion company with 112,900+ professionals across 90 countries, helping over 910 global customers including Fortune 500 companies. Our innovation platforms and reusable assets connect across a number of technologies to deliver tangible business value to our stakeholders. Tech Mahindra is also amongst the Fab 50 companies in Asia as per the Forbes 2016 List.

Tech Mahindra Business Process Services (BPS) focuses on Business Process as a Service (BPS) and BPO services across various industries including Telecom, Financial Services, Retail, Energy, Hospitality, Hi-Tech, Agriculture, and Food and Beverage. Our approach goes beyond cost reduction to process optimization and ownership through automation and productivity improvements.

Tech Mahindra BPS delivers value for customers through flawless execution of a seamless suite of services that operate across the entire lifecycle of end-users and covers both the revenue and cost sides of the customers' business operations. The BPS includes Operations, BPM, and Consulting.

The Mahindra Group is a USD 20.7 billion federation of companies that enables people to rise through innovative mobility solutions, driving rural prosperity, enhancing urban living, nurturing new businesses and fostering communities. It enjoys a leadership position in utility vehicles, information technology, financial services, and vacation ownership in India and is the world's largest tractor company, by volume. It also enjoys a strong presence in agribusiness, aerospace, commercial vehicles, components, defense, logistics, real estate, renewable energy, speedboats, and steel, amongst other businesses. Headquartered in India, Mahindra employs over 2,40,000 people across 100 countries.
